FOR SALE-REAL ESTATE.

REALTY OWNERS,
LISTEN!
Do you want to sell your property for its market value or have you got a mortgage that is bothering you?
I will guarantee to sell any desirable piece of improved property, at its market value, in less time than any agent in town.

Right now I have calls for over a dozen small homes on the west side, within calling distance of the R. G. W. and Ore-gon Short Line depots. Maybe you've just the place I want for my customers. Places priced at \$600 to \$1,500 sell best on the west

priced at \$600 to \$1,500 sell best on the west side.

There is also a stiff demand for small places in the southeastern section. Two to five-room houses priced at from \$800 to \$2,500 sell best.

Come in and list your property today. One owner listed on Monday of this week and I sold the place Wednesday. Let me see what I can do for you. Drop a postal and I will call on you.
